The finish of the Mizuno Half Marathon will take place in front of the grandstand in the Olympic Stadium. This splendidly renovated stadium, which is 80 years old, will leave a memorable impression long after the end of the race. Supporters and other spectators will have free access to the stadium.

COURSE ALONG MANY HIGHLIGHTS!

6

In addition to the various music bands, it is the spectators, including many from Amsterdam, who create a great atmosphere along the track and in the Olympic Stadium, and who spur the athletes on to achieve unrivalled performances.
